OFFICE OF PETITIONS

In re Application of
Karapet Ablabutyan, et al.
Application No. 09/811,237
Filed: March 15, 2001
Attorney Docket No. 23451-037

**DECISION GRANTING PETITION
UNDER 37 CFR 1.137(f)**

This is a decision on the petition filed June 27, 2002, to revive the instant nonprovisional application under the unintentional provisions of 37 CFR 1.137(f).

The petition is **GRANTED**.

The instant nonprovisional application is the subject of an application filed in a foreign country on March 6, 2002. However, the U. S. Patent and Trademark Office (Office) was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant to 35 U. S. C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

The instant petition has been found in compliance with 37 CFR 1.137(f). However, while the statement of unintentional delay does not comply with the rule, the statement presented will be construed as meaning that "the entire delay in filing the required reply [Notice to Rescind Previous Nonpublication Request Under 35 U.S.C. § 122(b)(2)(B)(ii)] until the filing of a grantable petition was unintentional." Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days as provided by 35 USC 122(b)(2)(B)(iii) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 USC 122(b)(2)(B)(i) has been rescinded. A Corrected Filing Receipt which sets forth the projected publication date of December 5, 2002 accompanies this decision on petition.

There is no indication that a reply to the Office action of March 6, 2002 has been filed. Accordingly, the period for reply to that Office action is restarted with the mailing date of this decision. Extensions of time pursuant to the provisions of 37 CFR 1.136(a) are permitted. Failure to timely reply within the period restarted by this decision will result in the abandonment of this application.

Telephone inquiries concerning this decision should be directed to Marianne Morgan at (703) 306-3475.

The application file is being forwarded to Technology Center Art Unit 3652 to await a reply to the non-final rejection, the period of which is restarted to run from the mailing date of this decision on petition as noted above.
